Contractor Supplemental

Use alongside applicable ACORD applications and supporting documents. Complete only details missing from them; reference an existing answer or attachment. Mark unknown information clearly.

Named insured / application reference

Actual work states and New York territories (separate from insured domicile)

NY Labor Law coverage needed? Yes / No / Unsure

Residential / commercial; interior / exterior; new construction / renovation percentages

Maximum exterior height / stories

Below-grade work and maximum depth

NYC work percentage and boroughs

Unusual construction operations / wrap-up work not addressed in the application

Major completed, current and planned projects (or attachment reference)

Additional written subcontractor contract / insurance-verification details

For appointed agency review. This supplemental does not establish eligibility, quote or bind coverage.
Attach applications and supporting documents in your own email app and send to:
