CONTRACTORS GL PROGRAM

Find the right class. Start the right submission.

The Contractors GL Program uses RQB for appointed agencies with eligible small-contractor accounts.

Check every operation and restriction. The guide applies across all 14 program states and lists 67 ordinary classes plus western-only 91340. Ask separately about other GL placements.

Trade examples

Interior carpentry, electrical work within buildings, drywall, residential plumbing, janitorial services and lawn care.

14 program states

AZ, CA, CT, GA, NC, NJ, NV, NY, OR, PA, SC, TN, TX and WA. Keep class-specific restrictions.

Read the full description

Height, residential-only and operations restrictions remain part of eligibility. Code 91340 is western-only: WA, OR, CA, NV, AZ; residential construction up to three stories only.

> The program via RQB excludes NY Labor Law. Ask about the separate multiple-market review route.

PREPARE FOR REVIEW

- State and detailed operations
- Payroll/sales and subcontracted-work details
- Desired effective date and coverage needs
